TROY N.H.

TROY, NEW HAMPSHIRE 1990

YEAR ENDING DECEMBER 31, 1990

CLARENCE J. ABARE

Clarence J. Abare, a life-long resident and Selectman for 27 years, passed away this past June.

Clarence was very dedicated to the town and served on several committees, boards and lent a helping hand to anyone who requested it.

Even after his "retirement" from the Board of Selectmen, he was the one to be called upon to explain the legality of issues or the first one to stand up at Town Meeting and explain that this couldn't be done or could be done referring to the RSA by number as he had memorized most of them.

Clarence was also the local Postmaster for years, and even though there was a lot of politicking carried on at the post office, it never interfered with his job as he could sort mail, weigh packages, etc., and give advice all at the same time.

A dedicated man to his town and its residents, Clarence will be missed but he has left us with a legacy that will be spoken of for years to come.

Selectmen of Troy

175th Birthday plates and mugs are available for sale at the Town Hall.

ANNUAL REPORTS
OF THE
TOWN OFFICERS
OF
TROY, N.H.
FOR THE YEAR ENDING
DECEMBER 31, 1990

Trojan Press, Troy, NH 1991

The cover of this report is printed on recycled paper.

ELMER E. GLADDING

Elmer Gladding, a long-time resident, active and dedicated to the Town of Troy and its residents, passed away this past September.

Elmer was born in Connecticut and moved to Troy in 1976 and almost immediately became active in town affairs when he and his wife Ruth joined the Concerned Citizens Committee. He became a member of the Troy Police Force in 1978 and remained in that capacity obtaining the role as Chief from 1984 until he retired in 1989.

Retirement was not for Elmer, as he then became Selectman in 1989 and still held onto the office of Overseer of the Poor.

To say that Elmer is missed by all is an understatement. The children loved and respected him; adults enjoyed his capability to understand and his willingness to help anyone who might seek his advise or support. His love of life did not stop with humans as animals were also a great part of his life.

His love of his family was very apparent and seldom did you see Elmer without Ruth by his side. One exception to that would be on Sunday morning when Elmer would rather be outside the Church directing traffic than in the church receiving directions.

Elmer lived a full life and up until the very end was involved in the town's 175th Birthday celebration. He so wanted to stay healthy long enough to see this materialized. We do believe he would have been proud of the way it was enjoyed by so many and even though he was not with us his presence was felt.

To his wife, son and daughters, we can say that Elmer was a great person for all of us who knew him and will be sorely missed.

THE STATE OF NEW HAMPSHIRE
TOWN WARRANT

To the inhabitants of the Town of Troy in the County of Cheshire in said State, qualified to vote in the Town Affairs.

You are notified to meet at the Town Hall in the said Town of Tuesday, the 12th day of March next at 10:00 A.M. in the forenoon for balloting upon matters specified in Articles 1 and 2, listed below, and you are hereby further notified to meet at the Troy Elementary School on Wednesday, the 13th of March next at 7:30 P.M. to act upon the remainder of the listed warrant.

ARTICLE 1: To bring in your vote for one Selectman for one year, one Selectman for three years and all other Town Officers elected by ballot as passed by Town Meeting or State Statute for the specified number of years.

ARTICLE 2: Are you in favor of the adoption of the following amendments as proposed by the Planning Board for the Town Zoning Ordinances as follows:

AMENDMENT #1 - Add to Article XVI the following definitions:

HOME OCCUPATION - An accessory use to a portion of a dwelling unit involving the manufacture of, provision or sale of goods and/or services. The use shall be clearly incidental and secondary to the primary use of the dwelling for residential purposes, and does not change the character thereof or adversely affect the uses permitted in the zoning district in which it is a part. The following activities shall not be considered home occupations: motor vehicles, small engine repair shops; auto body shops; veterinary establishments; restaurants and other eating establishments; retail sales establishments.

NON-CONFORMING USE - A use or activity which was lawful at the time of the adoption, revision or admendment of the zoning ordinance, but does not conform to the present requirements of the district in which it is located.

NON-CONFORMING BUILDING - A building or structure which was lawful in terms of size, dimension or location at the time of the adoption, revision or amendment of the zoning ordinance, but does not conform to the present requirements of the district in which it is located.

DAYCARE- A commercial establishment enrolling four or more children up to the age of 6 and where tuition, fees, or other forms of compensation is charged for the care of the children, and which is licensed or approved to operate as a child care center.

ROOMING/BOARDING/LODGING HOUSE -A building arranged or used for sheltering more than three but not more than ten individuals who are not members of the resident manager's family. Shelter is provided in return for compensation, and meals may or may not be provided.

MOTEL (ALSO HOTEL, MOTOR COURT) - Any group of attached or detached buildings containing individual sleeping or housekeeping units available for temporary rent to transients.

SPECIAL EXCEPTION - A use which is not permitted in a particular zoning district but which may be suitable in certain locations within the district providing special conditions are attached to the use by the Zoning Board of Adjustment.

VARIANCE - An act of the Zoning Board of Adjustment which allows a variation from a particular requirement of the zoning ordinance when strict enforcement would cause undue hardship because of circumstances unique to the property.

HARDSHIP - Describes a special condition of the land which distinguishes it from other land in the same area with respect to its suitability for the use for which it is zoned, so that the strict application of the ordinance would effectively prevent the owner from making any reasonable use of the land. For the purposes of this ordinance, financial loss alone does not constitute a hardship.

ADMINISTRATIVE DECISION - An order, requirement, decision, or determination made by the Selectmen in the enforcement of the zoning ordinance. Such a decision may be appealed to the Zoning Board of Adjustment pursuant to RSA 674:33.

GROUP HOME - An establishment that provides room and board to persons who are residents by virtue of receiving supervised, specialized services limited to health, social and or rehabilitative services provided by a government agency, their licensed or certified agents or any other responsible social service corporation. These services shall be provided in a family environment and only to persons who are children under 18 years of age; physically or mentally handicapped of any age; or 62 or more years of age, released from or under the jurisdiction of a government bureau of corrections or similar institution. Supervision shall be determined and certified by the sponsoring agency. However, one responsible adult shall be available for the residents on a 24 hour-a-day basis while the residents are on the premises.

NURSING HOME - An extended or intermediate care facility licensed or approved by the State of New Hampshire to provide full-time convalescent or chronic care to individuals who, by reason of advanced age, chronic illness or infirmity, are unable to care for themselves.

AMENDMENT #2 - Change Article III, Section E to read: Off-street parking shall be provided for all uses, suitable to accommodate the typical needs of such use, at the rate of two hundred (200) square feet, plus sufficient area for traveling and maneuvering.

AMENDMENT #3 - Add to Article III a new section J: Frontage on all lots in all districts shall be measured in contiguous feet.

AMENDMENT #4 - Change Article IV, Section A.2 to read: Lodging, rooming and boarding houses; group homes; hotels; bed and breakfasts; nursing homes and health care centers; and other accommodations for

overnight guests shall be allowed only by special exception granted by the Board of Adjustment when the Board determines that said use meets the requirements imposed by Article X, Section D.

AMENDMENT #5 - Change Article X, Section G to read:

(1) Home Occupation activities may be allowed providing that such use meets the following criteria:

- A. No stock and trade shall be maintained unless kept within a building.
- B. The number of persons employed for such activity shall not exceed two (2) persons, in addition to the resident family members.
- C. The activity shall be carried on wholly within the principal or accessory structure.
- D. The activity shall not result in the production of any offensive noise, vibration, light, odor, dust, smoke, or other pollution external to the property.
- E. The use will not generate vehicular or pedestrian traffic of a quantity or quality as to be injurious, offensive, or otherwise detrimental to the neighborhood. Vehicular traffic or more than ten (10) vehicles per day shall be considered evidence of traffic which is detrimental to the neighborhood.
- F. The activity shall not occupy more than 500 square feet within the dwelling unit or the accessory building.
- G. There shall be no exterior display, no exterior sign except as provided for in the zoning ordinance, no exterior storage of materials, and no exterior indication that a home occupation activity is being carried on within either the principal or accessory building.

AMENDMENT #6 - Change Article X, Section G,2.b. to read: Adequate off-street parking of two hundred (200) square feet per unit, plus sufficient area for traveling and maneuvering.

AMENDMENT #7 - Delete Article X, Section G,2.d.

AMENDMENT #8 - Article X, Section G,3.a. Delete the sentence "The property has received Site Plan approval from the Planning Board".

AMENDMENT #9 - Change Article X, Section G,3.e(1) to read: Such facilities shall have an aggregate area of not less than two hundred (200) square feet per vehicle plus sufficient area for traveling and maneuvering. Each parking space shall be at least 10 feet in width.

AMENDMENT #10 - Change Article XIII to read: Every person, firm or corporation violating any of the provision of this ordinance shall, upon conviction, be fined not more than one hundred dollars (\$100.) for each day such violation may exist.

AMENDMENT #11 - Amend Article XVII as follows: Delete - "Any sign hereafter erected or maintained shall conform to the provisions of the Article. The following signs and no others shall be permitted in the

Town of Troy as noted".

Substitute - "The following signs and no other may be erected in the Town of Troy and shall conform to the provisions of this Article. Of these, signs for business and advertising and identification signs shall require a permit from the Board of Selectmen."

ARTICLE 3: To see if the Town will vote to raise and appropriate such sums of money as may be necessary to defray the following Town expenditures.

	Recommended by	
	<u>Budget Committee</u>	<u>Selectmen</u>
a. Town Officers Salaries	37,525.00	37,525.00
b. Town Officers Expenses	15,395.00	15,395.00
c. Elections and Registrations	2,140.00	2,140.00

g. Interest - Temporary Loans	11,000.00	11,000.00
h. Memorial Day	750.00	1,250.00
i. Landfill	43,142.00	45,000.00
j. Street Lighting	15,500.00	15,500.00
k. Legal	15,000.00	15,000.00
l. Planning Board	3,900.00	4,396.00
m. Board of Adjustment	875.00	1,075.00
n. Emergency Management	1,500.00	3,000.00
o. Conservation Committee	700.00	750.00
p. Common	1,800.00	2,000.00

ARTICLE 4: To see if the Town will vote to raise and appropriate such sum of money as may be necessary to support public services.

	Recommended by	
	<u>Budget Committee</u>	<u>Selectmen</u>
a. Health Related Programs	20,000.00	23,995.00
b. War Memorial Program - Recreation	14,500.00	17,000.00
c. Meadowood County Area Fire Dept.	1,000.00	1,000.00
d. Southwest N.H. Regional Planning	2,150.00	2,150.00
e. Arts Festival & Grand Monadnock A. C.	1,200.00	1,600.00
r. Gay Kimball Library	23,000.00	24,078.00
g. Forest Fire Suppression	1,200.00	1,500.00
h. Senior Citizens	1,500.00	2,250.00

ARTICLE 5: To see if the Town will vote to raise and appropriate such sums as necessary to support Town Departments.

	Recommended by	
	<u>Budget Committee</u>	<u>Selectmen</u>
a. Highway Department - Summer & Winter	76,000.00	80,000.00
b. Police Department	71,000.00	74,810.00

c. Fire Department	23,500.00	26,000.00
d. Welfare	16,000.00	16,000.00
e. Animal Control	1,300.00	1,600.00
f. Special Police	6,500.00	6,500.00
g. Industrial Development	500.00	1,000.00

ARTICLE 6: To see if the Town will vote to raise and appropriate such sums of money as may be necessary for the care of the cemeteries. Budget Committee and Selectmen recommend \$14,000.00. \$13,000.00 to come from Trust Funds.

ARTICLE 7: To see if the Town will vote to raise \$193,000.00 for the Water/Sewer Department. Recommended by Budget Committee and Selectmen.

ARTICLE 8: To see if the Town will authorize the Selectmen to expend the Highway Block Grant of \$30,245.00 that the Town will receive from the State of New Hampshire for the calendar year 1991 for maintenance, construction and reconstruction of Class IV and V highways. Recommended by Budget Committee and the Selectmen.

ARTICLE 9: To see if the Town will vote a sum of money \$161,129.71 for the payment of Sewer Bonds. Income from the State of New Hampshire and FHA will be \$113,180.03.

ARTICLE 10: To see if the Town will vote to raise and appropriate the gross sum of \$12,000.00 to the conservation fund as authorized by RSA 36-A:5 to be used only for acquisition in the name of the town or the fee or lesser interest in conservation land and costs associated therewith for permanent conservation use, and authorize the Selectmen to apply for and accept the State matching funds under the N.H. Land Conservation Investment Program (LCIP) RSA 221-A in the amount up to \$12,000.00 for the purpose of acquisition of the fee or lesser interest in conservation land. Said appropriation funds and state matching funds may be expended by majority vote of the conservation commission. The appropriation is contingent upon the receipt of the matching state grant from LCIP. Recommended by the Budget Committee and Selectmen.

ARTICLE 11: To see if the Town will vote to raise and appropriate \$5,500.00 for capital improvements, equipment and materials for the recycling center. If passed, matching funds will be awarded to the Town from the Office of State Planning, Governor's Recycling Program. Recommended by the Budget Committee and the Selectmen.

ARTICLE 12: To see if the Town will vote to raise and appropriate \$9,698.00 for adding new programs to the computer system. This will be for the Town Clerk's program, Account Payable and Receivable Programs and Computer station for the Selectmen's Office. Recommended by the Budget Committee and the Selectmen.

ARTICLE 13: To see if the Town will vote to raise and appropriate \$5,700.00 for auditors to audit the Town Books. Recommended by the Budget Committee and the Selectmen.

ARTICLE 14: To see if the Town will vote to raise and appropriate the amount of money listed below to be placed into the Capital Reserve Fund of each department for the purpose of purchasing vehicles or additional equipment when voted by the Town.

a. Police Department	4,000.00	d. Landfill	3,522.00
b. Fire Department	4,000.00	e. Reassessment	4,000.00
c. Highway	4,000.00	f. Building Repairs	5,000.00

Recommended by the Budget Committee and the Selectmen.

ARTICLE 15: To see if the Town will vote to raise and appropriate the sum of \$125,000.00 (Gross Budget) for the construction and original equipping of a new Highway Garage and Salt Shed, and said sum to be in addition to any federal, state, or private funds made available therefore, and to authorize the issuance of not more than \$125,000.00 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and to authorize the Town Officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon. (2/3 Ballot Vote Required.) Recommended by Selectmen.

ARTICLE 16: To authorize the Town of Troy to enter into a cooperative agreement with the Town of Jaffrey (as lead community) under RSA 53-A for the purpose of applying for and administering joint Community Development Block Grants intended to rehabilitate housing for low and moderate income persons, beginning with grant agreement #90-037-CDHS effective September 15, 1990. Said agreement to be in effect for three years and to authorize the Selectmen to renew said agreement as they deem necessary thereafter. (By Selectmen).

ARTICLE 17: To see if the town will vote to authorize the Selectmen to appoint a Committee to study the feasibility of having a trash to energy plant or trash incinerator in the Town of Troy. Recommended by Selectmen.

ARTICLE 18: To see if the Town will vote to authorize and instruct the Tax Collector to accept, as an agent, the Water and Sewer payments as a convenience for the customers who prefer to pay at the Town Hall instead of going to the Treatment Plant on Dort Street or mailing payment. This will be done during regular office hours. Recommended by the Selectmen and the Water/Sewer Commissioners.

ARTICLE 19: To see if the Town will vote to classify West Hill Road as a "Scenic Road" as provided under RSA 231. Recommended by the Conservation Commission and the Selectmen. (By Petition)

ARTICLE 20: "Shall we adopt the provisions of RSA 72:1-c which authorize

any town or city to elect not to assess, levy and collect a Resident Tax?" (By Ballot) (By Petition).

ARTICLE 21: To see if the Town will vote to open Prospect Street a distance of 600 feet beyond the gates and bars sign. Upon approval of the Selectmen and completion of the road to State specifications. (By Petition)

ARTICLE 22: To see if the Town will vote to authorize the Selectmen to release to Catherine E. Cronin and Marc Delgreco, their heirs, successors and assigns, by Quitclaim Deed, all right, title and interest the Town may have in and to property owned by Catherine E. Cronin and Marc Delgreco situated on the easterly side of West Hill Road, said property being more particularly described in Deed of Charles Pagen et al to Catherine E. Cronin et al dated August 24, 1990 and recorded with Cheshire County Registry of Deeds in Book 1347, Page 641. (By Petition).

ARTICLE 23: To see if the Town will vote to elect three Fire Wards annually. If so voted, the Fire Chief will be voted by all members of the Troy Fire Department. This will become effective with the Town Meeting of 1992. (By Petition).

ARTICLE 24: To see if the Town will vote to change the manner in which the Planning Board members are selected from appointment by Selectmen to elected by the Town Meeting annually, provided that at the annual Town Meeting there shall be elected, one member for a one-year term, one member for a two-year term, one member for a three-year term, one member for a four-year term, one member for a five-year term, and one member for a six-year term, and there after one vacancy will occur each year. Alternate members to be selected by appointment by Selectmen. Chairman of the Board shall designate an alternate, if an alternate is present, to act in the absent member's place. To become effective voting year, 1992. (By Petition).

ARTICLE 25: To see if the Town will vote to change the manner in which the Board of Adjustment members are selected from appointed by Selectmen to elected by the Town Meeting annually, provided that at the annual Town Meeting there shall be elected, one member for a one-year term, one member for a two-year term, one member for a three-year term, one member for a four-year term and one member for a five-year term, and thereafter one vacancy will occur each year. Alternate members to be selected by appointment by Selectmen. Chairman of the Board shall designate an alternate, if an alternate is present, to act in the absent member's place. To become effective voting year, 1992. (By Petition).

ARTICLE 26: WHEREAS, Although the right of free expression is part of the foundation of the United States Constitution, very carefully drawn limits on expression in specific instances have long been recognized as legitimate means of maintaining public safety and decency, as well as orderliness and productive value of public debate; and

WHEREAS, There are symbols of our nation such as the Washington Monument, the United States Capitol Building, memorials to our greatest leaders, and our flag, which are the property of every American and are therefore worthy of protection from desecration and dishonor; and

WHEREAS, The Law as interpreted by the United States Supreme Court no longer accords to the flag the reverence, respect, and dignity to which it is entitled: and

WHEREAS, It is only fitting that people everywhere should join in a forceful call for the restoration of the flag to its proper station under law and decency;

NOW THEREFORE BE IT RESOLVED, That the voters of the Town of Troy respectfully request the Congress of the United States to propose an amendment of the United States Constitution, for ratification by the states, specifying that Congress and the states shall have the power to prohibit the physical desecration of the flag of the United States. (By Petition).

ARTICLE 27: To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend money from the State, Federal or another governmental unit or a private source which becomes available during the year in accordance with the procedures set forth in RSA 31-95B.

ARTICLE 28: To see if the Town will vote to authorize the Selectmen to borrow money to pay charges and the interest thereon.

ARTICLE 29: To see if the Town will vote to authorize the Selectmen to transfer tax liens and convey property acquired by the Town by Tax Collector's Deed by public auction (or advertised sealed bid) or in such manner as determined by the Selectmen as justice may require.

ARTICLE 30: To see if the Town will vote to authorize the Selectmen to enter into agreements with the Southwest Regional Planning Commission, the State Office of Emergency Management, the State Planning Commission, and other State agencies, when money becomes available for feasibility studies, grants, and agreements in the best interest of the Town. This is to do done by the Selectmen, with the approval of the Town Budget Committee, after consultation with the Conservation Commission, Planning Board and Industrial Development Committee. Recommended by Budget Committee and Selectmen.

ARTICLE 31: To hear report of committees, agents or officers heretofore chosen and take any action relative.

Given under our hands and seal this 18th day of February in the year of our Lord nineteen hundred ninety-one.

William R. Matson

Thomas A. Walsh - Selectmen

Chester E. Priest

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of
the Board of Selectmen
Town of Troy
Troy, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Troy and the combining and individual fund financial statements of the Town as of and for the year ended December 31, 1989, as listed in the table of contents. These financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Asset Group of Accounts, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Asset Account Group is not known.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation, as explained in the above paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Troy at December 31, 1989, and the results of its operations and the changes in financial position of its nonexpendable trust funds for the year then ended, in conformity with generally accepted accounting principles. Also, in our opinion, the combining and individual fund financial statements referred to above present fairly, in all material respects, the financial position of each of the individual funds of the Town at December 31, 1989, and the results of operations of such funds for the year then ended, in conformity with generally accepted accounting principles.

Plodzik & Sanderson
Professional Association

May 15, 1990

AUDITOR'S REPORT

The complete audit prepared by Plodzik & Sanderson Professional Association is available at the Town Hall for reviewing.

REPORT OF THE ROAD AGENT

The winter of 1989 and 1990 was fairly mild and did not raise much havoc with the roads.

With the Block Grant Appropriations, we shimmed a part of High Street and a portion of West Hill. We also did alot of ditching and installed some new culverts.

With the new year, my assistant Gary LeBlanc became full time.

Plans for this year's Block Grant money are to replace the bridge on the Quarry Road and widen that portion of road. Also to shim Bigelow Hill Road.

Other plans for this year are to repair the sidewalks on the North end of town to make it safer for walking and easier to plow in the winter.

We would appreciate if if when you noticed any problems with the roads that you would please call the Town Hall or the highway barn 242-3649 and make us aware of the problem.

FROST HEAVE SEASON IS UPON US - DRIVE CAREFUL !!

James Dicey
Road Agent

SELECTMEN'S REPORT

1990 was a very important year in Troy. The town celebrated its 175th Birthday. We feel that it was one of the nicest events in recent years. We would like to give a great big thanks to all who planned, organized, or participated in this anniversary celebration.

The Selectmen's office had its share of personal problems this year. Bill Matson suffered a serious medical setback in July. Bill was dedicated to helping Troy residents as both a selectman and representative to the General Court. This left us with a tremendous amount of work which Bill did naturally. We wish him a full and speedy recovery.

1990 was also saddening because of Elmer's sickness and passing away. The Selectmen would like you to know the extreme effort and dedication Elmer made to keep going with his duties despite his serious condition; he will be missed by all.

The Selectmen would like to thank Chet Priest for filling out the remainder of the 1990 Selectman's term.

Troy finally has mandatory recycling after many years of planning. The recycling building was reconstructed and the necessary equipment purchased. It seems we will be able to run an efficient recycling center now and into the foreseeable future. Thanks to Ray Dicey for a job well done.

The Selectmen accepted the resignation of Chief Norton as Police Chief., Charles Rocheleau was appointed acting chief. We feel he will be a good, competent person to handle the Police Department.

We wish to thank all the other town employees, volunteers, and committee members for their time and dedication to Town activities and interests.

The computer programs asked for in this year's budget should, hopefully, provide the Town with better money management and be very cost effective.

The Highway barn is another expense which seems to be a cost effective way to get more years of service out of the Town's equipment. The present building is owned by the State of New Hampshire and is in need of some major repairs. The new barn will also centrally locate all equipment and the town will have the facilities to perform preventive maintenance on all town vehicles.

The Selectmen would also like to recognize our Armed Forces in Operation Desert Storm. We hope for a speedy solution to this conflict and the safe return of our troops.

The Selectmen, also, are very proud of the youths of Troy. They should be recognized for their excellent behavior throughout last year.

In closing, we feel that Troy is a very nice community. This year and the next years ahead will be trying times for all communities. We must preserve the quality of services that the Town has worked hard to achieve.

Selectmen of Troy

GAY-KIMBALL LIBRARY 1990 LIBRARIAN'S REPORT

The Gay-Kimball Library has had another busy year with circulation of materials increasing 10% over 1989. In the past two years, circulation has increased 49% and all of us at the library feel that residents of Troy are becoming more aware of what we have to offer.

In the past year we added approximately 540 new books. We were able to purchase many of the latest bestsellers in order to keep the collection up to date and in high demand. The children's non-fiction collection has been expanded to accomodate more and more of the special interests and needs of our young people. There is a new special section in the Adult Fiction room for books for Young Adults.

Townpeople have continued to be generous with their gifts of books to be used for book sales or for the library itself. Several reference books were donated in memory of John C. Callahan by Jim and Phyllis Callahan. The trustees also voted to dedicate some new history books to his memory. Dr. Mark A. Wirant contributed money for the purchase of new juvenile biographies.

The Summer Reading Program was a big success with 137 young people registered. The Monadnock Bank donated a savings bond as an incentive for teens to participate. A party was held at the end of the program where we had a drawing for special t-shirts and gave out certificates of participation.

A series of craft classes for grade school children was held last Spring.

The Ripley Reading Room continues to be used not only for quiet reading but many committee meetings, story hours and computer games were held there.

In April, an Open House was held to celebrate National Library Week. About fifty people attended and awards were given out to Top Readers in the Raisin Reader Program which was held in the Fall of 1989.

Story Hours continued to be held twice a month all year and in September they were changed to an afternoon hour in order to include grade school children up through grade two. Sheila Depew and Theresia Weber-John have been the story tellers for over a year.

Two Book Sales were held on the library lawn and a smaller one at the Troy Arts Festival. Proceeds this year were used to purchase new books and computer equipment.

In December, the library was able to purchase a computer and special software which will enable us to automate the circulation by using bar codes, generate overdue notices and provide a link to the New Hampshire State Library Interlibrary Loan System via modem. Thanks to several volunteers we hope to have all materials entered into the system by summer of 1991.

We urge all residents of Troy to register for a borrower's card and use the library often in 1991.

Darcy L. Doyle, Librarian

REPORT OF TROY WATER/SEWER DEPARTMENT

The year 1990 has been another good year for the Water/Sewer Department.

There have been a number of water leaks this year with most of them in the water mains. We are sorry for any inconvenience they may have caused our customers during repairs.

The new well has been completed and has been on line most of the summer and fall and seems to be working well.

Six (6) new hydrants were installed this year and we hope to do some in 1991.

We cleaned the reservoir in the spring and flushed the hydrants and water lines in the spring and fall.

The Sewer Department has been operating good with normal breakdowns and repairs as can be expected.

Our meetings are held monthly on the 2nd Wednesday of each month and these are open to the public.

We are sorry for the inconvenience that was caused regarding paying your bills at the Town Hall and hopefully our warrant article will be passed this Town Meeting to allow you to do so in the future.

Respectfully submitted

TROY POLICE DEPARTMENT

In 1990, the Troy Police handled 263 investigations; 22 of these were juvenile cases with the remainder being violation, misdemeanor and felony cases.

The police issued 1151 motor vehicle summons and gave an additional 619 warning. We also made 31 arrests for DWI, with two of these being charged with operating under the influence of controlled drugs.

There were 35 motor vehicle accidents reported with 21 of these on state maintained roads. Only 8 were on town roads and 6 occurred in parking lots. Only 5 of these accidents involved personal injury and there were no motor vehicle involved fatalities in 1990. I believe that the very low number of personal injury accidents and no fatal accidents is due to high visibility and active traffic enforcement.

Many of the accidents reported involved excessive speed and/or an alcohol impaired driver. Remember to buckle up; seat belts prevent injury and death in motor vehicle accidents.

In the coming year, our goal is to maintain the level of quality service that you expect and deserve from your Police Department. Please don't hesitate to stop in and say "Hi" or call the office at 242-7992. The door is always open; and, as your newly appointed police chief, I would welcome any comments or suggestions that you may have.

Please remember to call 35211-- if you see anything suspicious or out of the ordinary, no matter how minor it may seem to you. This call may prevent a crime from being committed or may lead to information that may help solve a crime that has already occurred.

At this time, I would like to thank the members of the Troy Police Department for their time and efforts throughout the year and a special thanks to Pam Michelson, our secretary, for doing a superb job keeping our paperwork in order.

Our sincere thanks to the citizens of Troy for your continued cooperation throughout the year!

Respectfully submitted,

Charles F. Rocheleau
Chief of Police

FIRE DEPARTMENT REPORT

The officers and members of the Troy fire department would like to thank the citizens of Troy for their help again in keeping fires to a minimum.

The fire department has 8 certified fire inspectors given by the fire marshall's office, which was a 16 hour course.

Please remember smoke detectors save lives. Check your wood stoves often.

WELFARE DEPARTMENT

We are all deeply saddened by the passing away of Elmer Gladding; he will be greatly missed. I took over Elmer's responsibilities as overseer of the poor; I will attempt to continue in his foot steps providing assistance to those who truly need it.

In the past year we saw a slight increase in the number of Townspeople coming in for assistance, especially after the mill started their extensive layoffs.

We will be continuing with our extensive screening of applicants for assistance and we will also be continuing with our work programs, those that apply for assistance that can work are put to work in some area of the Town to pay the Town back for assistance.

I want to give special thanks to the congregation of the Troy Congregational Church, and to Judy McCann, for setting up and operating clothing and food help programs for those who need assistance in these areas.

Townspeople that need assistance. my hours are 6 to 8 on Monday night. I can also be reached through the Town Clerk's office in case of an emergency that comes up during the week.

Linda L. Norton

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

During Calendar Year 1990, the State of New Hampshire experienced an average number of wildfires. The three leading causes of these wildfires were fires kindled without a fire permit from the Forest Fire Warden, permit fires that escaped control and rekindled fires. All of these fires are preventable, but ONLY with your help.

Please help your town and state forest fire officials with forest fire prevention. New Hampshire State Law (RSA 224:27 II) requires that, "No person, firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material in the open, except when the ground is covered with snow, without first obtaining a written fire permit from the Forest Fire Warden of the town where the burning is to be done."

Violations of RSA 224:27 II and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$1,000 and/or a year in jail and you are also liable for all fire suppression costs.

The State of New Hampshire, Division of Forests and Lands assisted many towns in wildland fire suppression during 1990, including a 262 acre fire in Moultonboro and several fires in Hooksett.

In 1990, the New Hampshire Division of Forests and Lands trained 844 local Wardens and Deputy Wardens in the Incident Command System (ICS), an incident management system for all types of emergencies. In 1991, Wardens will be trained in the use of Class A foam in wildfire suppression.

If you have any questions regarding New Hampshire forest fire laws, please contact your local Forest Fire Warden, State Forest Ranger, or the Division of Forests and Lands at 271-2217.

TROY CONSERVATION COMMISSION

The Troy Conservation Commission has had a very active year. In the spring an impressive tree planting ceremony was held on the town green. Mrs. Gregg, the Governor's wife was in attendance as well as Senator Bass, Senator Blaisdell and Mayor Lipsky of Keene. We won the flowering crab from the Governor's Council on Tree Planting as the recipient from Cheshire County. Troy school children beautifully sang at this affair and Mr. Matson so graciously offered refreshments and a social hour which was much enjoyed.

Our float seems to have been a great success at the 175th anniversary parade, although pretty home-made compared to the professional float shown by Troy Mills depicting their long history from horse blankets to automobile upholstery, we were able to send our message "Save Our Wetlands."

Two students were sent to the State Conservation Camp sponsored by the New Hampshire Society for the Protection of Forests. These students from Troy attended our fall meeting and related their learning and fun experiences. Mr. Matson and Richard Menard were responsible for raising half of the money from various local organizations for this most worthwhile project.

We had our first booth at the Troy Arts Festival and much interest was shown in the water testing equipment that Benjamin Hale has charge of. Ben tests water at the Sand Dam all summer. Richard Menard exhibited great photographs of wild life right in his back yard on West Hill Road.

Many good things happen around town. Barbara Arguin, science teacher at Troy Elementary School did a spectacular job with her students collecting cans and bottles and they had their own Earth Day ceremony with a tree planting. Ray Dicey spotted some illegal tire dumping at the end of North Main Street which he promptly reported.

Our town's character is beginning to revive lately with some excellent restoration going on. The Troy Baptist Church is to be complimented on their excellent restoration of the 1849 brick ediface which graces our Main Street. Ralph Lang did a magnificent job with the old Whitney Store and this columned Greek Revival building now stands proudly as well as being used. Attorney Gary Sheldon restored the former old post office and barber shop which had been in a bad state of disrepair. Yes, according to our state conservation handbook we are supposed to encourage preservation of old buildings and landmarks. However, in most town this is done by a local historical society.

With these success stories we have had major disappointments. We planned a town clean-up for Earth Day and only three people attended. We did clean five large bags of rubbish from around town green and will hope when we try again more town folk might respond. Checking the newspapers we noted that in many surrounding towns so many people came to help that they were also able to clean back roads as well as town centers. We sent letters to all organizations and the boy and girl scouts.

The Troy Conservation Commission was brought about by town warrant in March 1972. Although no records were kept we do see early reference in

town reports to a plan for a wetlands ordinance. Two years ago Mr. Matson wrote us a letter stating that the selectmen would like an ordinance, however, we have not been successful with this as yet. We plan to really concentrate on this next year as we are one of the few towns in Cheshire County without an ordinance. We feel this is particularly important in Troy where hundreds of people have septic tanks and wells. Our drinking water is purified and filtered in our wetlands and we must try to educate people about this. Our state conservation handbook states that protecting our wetlands is our most important task as a commission.

Our spring agenda includes some planting around Troy Elementary School now that they finally have the asphalt installed. Mr. Matson had previously asked us to do some planting of Pine Trees at Sand Dam and we plan to do this.

We are fortunate to welcome two new members to our commission, Ira Gavrin who has an excellent grasp of conservation and Daniel Bisaccio who teaches science at Thayer High School and Keene State. We are sorry to lose Rick Menard, an energetic member who is now taking night courses.

Our meetings in 1991 will be held the third Monday of each month at Gay Kimball Library Reading Room and everyone is welcome. Please phone us with environmental concerns.

Respectfully submitted,

Wendell F. Hawkins
Chairman of Troy
Conservation Commission

TROY LANDFILL COMMITTEE

Throughout the past year we have spent most of our effort setting up and improving our recycling facility to make it more convenient for the public and for the men that work there.

We went to mandatory recycling on January 11, 1991. We want to thank everyone for the excellent cooperation and effort you have put into recycling. It has reduced the amount of trash going into the landfill to be buried by more than 65%.

Superintendent Ray Dicey and his helpers have done a fine job keeping the landfill and recycling center neat, clean and running smoothly.

Keeping Troy's landfill in operation is saving the Taxpayers of Troy money every year. If our landfill is closed down, Troy's solid waste budget could easily triple or even more than triple.

This past year we added on to the recycling building, closed-in the building, added windows for collecting recyclables, and insulated the ceiling. We purchased a new baler to make it easier to store and ship our recycle materials. We built a container to move non-recyclable trash from the collection center to the landfill.

We also purchased a surplus bulldozer to replace the old one.

ANNUAL REPORT OF TROY ANIMAL CONTROL

This year we again held a rabies clinic in April and it was an even bigger success than the year before with approximately 50 dogs and cats receiving their shots.

We are also very happy to report that except for 5 dogs, all strays taken to the Humane Society were eventually returned to their owners. If you are missing a pet, the first step would be to contact me or the Troy Police Department and then you should call the Humane Society in case it has been brought in. Dogs, especially, can travel a long distance in a short period of time and are sometimes picked up in other towns.

I cannot stress how important it is to license and restrain your dog. It is not only the law but also for their protection.

I may be reached at 242-3053 or thru Mutual Aid 352-1100.

Alan (Sonny) Grimshaw Jr.
Animal Control Officer

HOME HEALTH CARE AND COMMUNITY SERVICES, INC.
 REPORT TO THE TOWN OF TROY
 JANUARY 1, 1990 - DECEMBER 31, 1990
ANNUAL REPORT

In 1990, Home Health Care and Community Services continued to provide home care and community services to the residents of Troy. The following information represents a projection of Home Health Care and Community Services' activities in your community in 1990. The projection is based on actual services provided from January through September 1990 and an estimate of usage during October, November and December.

SERVICE REPORT

<u>Services Offered</u>	<u>Services Provided</u>	<u>Services Supported Partially or Totally By the Town</u>
Nursing	325 Visits	32 Visits
Child Health Nursing	4 Visit	4 Visit
Physical Therapy	61 Visits	0 Visits
Speech Pathology	16 Visits	0 Visits
Occupational Therapy	0 Visits	0 Visits
Homemaker	2,561 Hours	187 Hours
Home Health Aide	409 Visits	31 Visits
Medical Social Worker	0 Visits	0 Visit
Nutritionist	1 Visits	1 Visit
Office Visits	20 Visits	20 Visits
Meals-On-Wheels	2,148 Meals	2,148 Meals

Total Unduplicated Residents Served: 64

In addition to the above listed activities, regularly scheduled blood pressure clinics, child health clinics, telephone and consultations were made available to your residents throughout the year. Town funding, in part, supported these additional services.

FINANCIAL REPORT

The actual cost of all services provided in 1990 with all funding sources is projected to be \$96,778.00.

These services have been supported to the greatest extent possible by Midi-care, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by your town. In 1990, town support is projected to be \$4,548.00.

For 1990, we recommend an appropriation of \$13,500.00 to continue home care and \$1,181.00 for the Meals-On-Wheels Program to continue services at the current level.

Thank you for your consideration.

MONADNOCK FAMILY SERVICES

AGENCY HISTORY

Monadnock Family Services was organized in 1959 following a joint study by the Cheshire County Community Services Council and the League of Women Voters (Keene and Peterborough). Originally named Monadnock Area Family Service, the agency was organized through a merger of the Bureau of Public Service and the Keene Mental Hygiene Association. The service operated in this form through 1966, expanding in a five year period to a staff of two full time social workers with psychiatric and psychological consulting support.

In 1967, following a study during the previous two years, a community mental health clinic service was organized providing direct psychiatric and psychological services. This program added two psychiatric consultants, a clinical psychologist and one social worker to the agency staff.

Now, in 1990, Monadnock Family Services has grown from providing only outpatient services in its early years to providing a much broader range of services in response to community needs. MFS operates out of five district offices: Keene, Peterborough, Winchester, Jaffrey and Walpole. We serve the 38 town of the Monadnock Region. Our services now include the following:

Counseling Services for Adults	Housing
Adolescent and Children's Treatment	Client Service Management
Elderly Services and RSVP	Partial Hospitalization
Psychological Testing	Community Support Programming
Emergency Services	Volunteer Center
Parenting Programs	

KEENE and WALPOLE DISTRICT OFFICES

The Keene and Walpole District Offices of Monadnock Family Services provides outpatient services for children and adults living in the towns of Keene, Alstead, Chesterfield, Fitzwilliam, Gilsum, Marlborough, Marlow, Nelson, Roxbury, Stoddard, Sullivan, Surry, Swanzey, Troy, Walpole and Westmoreland. Included among these services are individual, group, family, and marital psychotherapy, as well as twenty-four hour crisis intervention. In addition, the Keene District Office provides special services for the Elderly, Vietnam Veterans, Sexual Abuse victims, Sexual Offenders, and pregnant teenagers and adolescent parents.

Monadnock Family Services is also continuing its alcohol and drug abuse prevention project in the Fall Mountain School District, Keene Junior High and Keene High School. This project provides consultation to teachers, administrators, parents and students around ways to address the problems of substance abuse and chemical dependency.

The staff of the Keene and Walpole District Offices are all trained professionals who are committed to meeting the mental health needs of the communities they serve.

INDUSTRIAL DEVELOPMENT COMMITTEE

Tel. 603-242-7722

P.O. Box 215 Troy, New Hampshire 03465

INDUSTRIAL DEVELOPMENT COMMITTEE

This committee was put in place a number of years ago to assist the Selectmen (on an advisory basis) to meet with parties who may from time to time inquire about the availability of sites for locating in Troy. There are currently three Town owned sites industrially zoned totaling about 54 acres. The committee has met with representatives of a dozen corporations seeking areas to expand or locate their existing or fledgling businesses.

Expenditures in recent years may be summarized as below:

	Total	Surveys & Appraisals	Site Work Timber Cut	Sign & Brochures	Supplies Postage	Seminars	Misc.
1990	152					152	
1980	378				378		
1988	896	345	144		363	44	
1987	3997	1565	2040		167	225	
1986	2516	1129		431	456		* 500
1985	795	315		345	135		
Totals	8734	3354	2184	776	1499	421	500

* Share of cost of Town copier

By attending seminars, we have made excellent contacts with leadership people in the State of New Hampshire Economic Development office. When we need to confer on various matters, Troy is able to obtain expert advice. We trust that if the time comes when we can apply for a substantial grant to fund the development of an industrial area, we will be able to receive the needed help.

During the past year a number of towns in the Monadnock area have set up Industrial Development committees. The trend is definitely moving in that direction. We can safely assume that all towns will eventually set up such a committee.

Our committee would welcome a few more interested people who will join us in this effort. We meet in daytime hours, for the most part, whenever the occasion requires, and, in any case, we meet every other month to keep abreast of things.

While the Town of Troy is not in the business of selling land the committee would welcome communication from citizens willing to be approached on the subject of land sales.

Funds were set aside from unused portions of our budget as follows:

Reserved for possible future capital items -

1987 \$5600.

1988 5400.

Total \$11000. (as of 12/31/90)

Current membership:

Robert Hall, Chmn.
Iver Olsen

Edward Lang
Ralph Wentworth

Buzz Bowers
John Callahan Jr.

Respectfully submitted,

Robert Hall

REPORT OF THE MONADNOCK ADVISORY COMMISSION

The 1990 session of the State Legislature gave the Monadnock Advisory Commission a new "charter" and definition of the Monadnock highlands to include Little Monadnock in Fitzwilliam. The Commission includes two members from each of the five towns, and is required to report annually to the Towns on its activities and concerns. During 1990, the Commission has been actively involved in developing policies to guide future management and development activities on those lands owned and leased by the State of New Hampshire, currently totalling 4,635 acres.

The purposes of the Monadnock Advisory Commission are:

- I. Guide the department of resources and economic development planning efforts to ensure the integrity of this National Natural Landmark.
- II. Assist the department in the formulation and adoption of a long-range plan.
- III. Recommend specific management policies and practices.
- IV. Assist the department in acquiring lands and rights in land.
- V. Meet at least annually.
- VI. Report annually to the commissioner on any threats to the integrity of these lands.
- VII. Issue an annual report to the communities.

We would welcome your thoughts about the preservation of these unique highlands.

Members of the Commission are:

Jaffrey:	H. C. Royce, Peter Davis
Dublin:	Betsey Harris, Bruce McClellan
Marlborough:	Ernie Linders, James Everard
Troy:	William Mattson, David Adams
Fitzwilliam:	Donald Crutchley, Thomas Parker

Respectfully submitted,

H. C. Royce, Chairman

TROY ARTS FESTIVAL COMMITTEE

Each year Troy hosts the Troy Arts Festival featuring craftspeople, musicians and artists from our town and neighboring communities. This year marked the fourteenth such event. The Festival seeks to build community spirit by having all the local organizations participate.

We were please to continue the tradition by starting on Friday evening with a chicken barbecue followed by a band concert. Saturday started very early with exhibitors showing up at dawn to set up for the day. It was a pleasure to see such enthusiasm. Once again we were delighted to see so many familiar faces, and to welcome many newcomers. We also used most of the Common as we had numerous acitivities for young people.

We wish to thank all of the wonderful people who made this such a fun event. Our thanks to the committee, volunteers, exhibitors and organizations who participated. We hope for your continued support and we welcome anyone interested in helping to plan for next year.

Sincerely,

Lisa Lohman
Christina McCulley - Chairpersons

GRAND MONADNOCK ARTS COUNCIL

The Grand Monadnock Arts Council is a non-profit organization which has advocated, promoted and supported the arts throughout the Monadnock region for the last 15 years. So that we may continue to enrich the residents of this region with our performing and visual artists, the Arts Council relies on various forms of income including Membership; Grants (local, state and national); Fundraising; Service Fees and Town Funding. We look to the towns to assist in support the Arts Council's programs and services that are available to all in this region.

PROGRAMS AND SERVICES

I. **FIRST NIGHT KEENE** is a community wide celebration of the New Year that offers a range of positive alternatives to traditional New Year's revelry and broadens the public's appreciation for the performing and visual arts, drawing on the talents of local and regional artists. We produce the event, working with city government, non-profit agencies, civic groups, public schools, churches, local retailers and businesses and a cadre of volunteers from the region. This event is heavily promoted in all towns surrounding the Keene area.

II. **ARTS FOR SPECIAL AUDIENCES** is a grant funded program through the Monadnock United Way, the New Hampshire State Council on the Arts and the National Endowment on the Arts. We arrange and pay for performing and visual artists to perform for those citizens who are unable to attend publicly presented events because of physical and/or mental health, age and economic considerations.

III. **ARTS IN PUBLIC PLACES** provides local and regional visual artists the opportunity to display their work(s) in various public facilities. Current locations include the Cheshire County Courthouse, the Peterborough Savings Banks, the Hancock Library and The Folkway Restaurant.

IV. An Arts information and referral service.

V. A booking service for private parties, clubs, corporations, schools, towns and anyone seeking the services of local and regional performing visual artists.

Therefore, I respectfully request that we be listed on the 1991 Town Warrant as follows: To vote to raise and appropriate the sum of \$250.00 for support of the Grand Monadnock Arts Council, or to take other action relating thereto.

In advance, thank you for including us on the Town Warrant. If you should have any further questions, please do not hesitate to contact me.

Sincerely,

Ellen A. Lowe
Executive Director

TROY SENIOR CITIZENS' REPORT

The Senior Citizens are still going strong. We are still meeting at the Odd Fellows Hall, so we can meet more than one a month - "working on projects for our annual bazaar," being centrally located people are able to walk to it.

We did one trip, but had several luncheons, picnic at Verburg's and Mooey's, Thanksgiving baskets and cards for shut-ins.

Each year we donate \$200 for TEASI plus memorials for deceased members.

We had our October banquet at East Hill Farm and were entertained by a clown - Charles Noble.

We wish to thank the Selectmen for their interest in our affairs.

As president for 1990, I wish to thank the program and all other committees for serving so faithfully and all the members for attendance and help.

Our meetings are held on the fourth Wednesday of the month and all Senior Citizens are welcome.

Respectfully

Mary Frazier

P.S. We entered a float in the 175th Troy Anniversary Parade.

TROY RECREATION COMMITTEE

The Recreation Committee oversees the activities and programs for the War Memorial at Sand Dam. Originally, this living memorial was created to ensure that all Troy youths would have the opportunity to learn to swim. Since then, the concept has been expanded to become an eight-week summer program. It is available to all Troy youths from 6 to 16. The program is run by qualified personnel hired by the committee.

This year the program had some rough edges. We were not prepared for the huge increase in children coming to the Sand Dam on a daily basis. Our attendance average was 100 children per day with over 120 signed up. This is an increase of 40 children per day from last year. This coupled with the problem that our previous director resigned within a month of starting the new program meant our staff did not have sufficient time to prepare. This led to our intervention as a committee halfway through the program. We were forced in the interest of safety to make restrictions on the program that we normally would not have. We were also forced to close the program one week early. We are working very hard this year to avoid a repeat of this problem. We are planning to hire additional staff for next year and to take over the responsibilities of the director position ourselves. This will ensure that we are aware of what is happening at all times with the program. It also ensures that there is adequate planning and that contingencies can be foreseen, if necessary.

Overall, we were delighted with the response from the town in putting their children into the program. We do request more involvement on the part of parents as this too would ensure the safety and enjoyment of the program.

The committee also oversees other recreational programs during the year. These include:

- o Cross-country ski program run in conjunction with Fitzwilliam on Saturdays provided there is snow coverage.
- o Movies on the Common on Thursday evenings throughout the summer.
- o Roller Skating on Saturday evenings during the school year.

These programs have been very successful. We are planning to extend the movies to a monthly basis during the year, in addition to the summer program on the common.

Jody Descoteaux	Jeff Morel
Sonny Grimshaw	Suzy Pesa
Gary Jardine	Jim Reed
Bruce McCulley	Susan Rice
Christy McCulley	Tom Walsh - Selectmen's Representative

175th BIRTHDAY CELEBRATION

We would like to thank you, the citizens of Troy, for a grad celebration. Without you this event would not have been the success that it was. It would be impossible to thank individually all those who helped with this event, but; you know who your are and you must be proud of your accomplishments.

Except for two small incidents, the two-day celebration was flawless. A small child received minor injuries when she fell off the slide at Sand Dam and Mr. Alan (Sonny-Smokey) Grimshaw took off for Keene with the sound system wires in his car, and we had to delay the entertainment until he could be located. Good job, Sonny!!

Because a good time was had by all, the committee has been approached to organize a "Old Home Day" celebration to be held once a year on the Saturday following Labor Day. Being an ambitious group and now refreshed from this year's event, we have agreed to plan one this year and, depending on its success, will continue thereafter. We do need more volunteers and lots of ideas. Meetings will be posted in the near future. We can tell you that this year's theme will be "The Old West".

Now to report on the fence that was our objective to replace. All the posts were sold and we could have sold that many again. We are sorry for those who were not able to purchase and happy to report to those of you who did, that instead of a plaque in the Town Hall depicting whose is whose, Keene Monument will be engraving each and every stone. This will cost us more and we will have to have another fund raiser to accomplish this but, in our eyes, this is the best way to go. It will be there forever. It does represent an additional \$21.00 per stone but we feel this is well worth it. Anyone who wishes to make a donation may do so and we will probably hold a supper in the Spring as a fund raiser to help with this. We also still have plenty of tee-shirts, mugs, books, pins and plates that we will be selling both on voting day and Town Meeting night.

AGAIN, MANY, MANY THANKS FOR EVERYTHING!!

"TROY AS IT WAS" COMMITTEE

The financial statement for the Celebration is available at the Town Hall.

HELPING HANDS CENTER

In February the Helping Hands Center moved into the "old post office" building at 3 Water Street. The area they serve includes both Fitzwilliam as well as Troy. The Center was organized to help those who need a "helping hand" during the economic crisis that has come to our country. Sister Lucie Ducas of Immaculate Conception Church and Judi McCann of the Trinitarian Congregational Church spearheaded the program. They requested other Troy/Fitzwilliam churches to help out and are currently being sponsored by 4 of those area churches. The churches give a set amount per month to defray the cost of rent and utilities. The Center has received a grant from the State to assist in the purchase of foodstuffs only. The U.S.D.A. is also assisting with surplus food. Donations from individuals, businesses and organizations in the area help to defray the rest of the cost for replacing foods as they are taken from the Center.

The Clothing Closet has new/used clothing for anyone needing it. The Center will be having seasonal clothing and is open from Monday through Saturday, 8:30-4, and Thursday and Fridays again from 6-8 PM. These hours will change as the needs change.

Clothing is always needed. They must be clean and in good condition. They will accept winter clothing from September through March 1. March 1 through July 1 they will accept summer clothing. This includes infants, children's, men and women's clothes. Shoes and boots are also accepted.

The Food Pantry needs non-perishible items. That includes: pasta, soups, canned meats, sauces, cereals, canned fruit and vegetables, crackers, toilet paper, paper towels, detergents, baby food, formula, diapers, etc. Items may be brought in at any time during opening hours. Confidentiality is stressed. After hours or in an emergency contact either 242-6252 or 242-6415.

Anyone wishing to donate monies may do so by either cash or check. Checks payable to The Helping Hand Center, and can be brought in or mailed to P O Box 240, Troy, NH 03465. If anyone has a question or wishes to volunteer to help "man" the Center, please call them at 242-3007.

TROY SCHOOL PLAYGROUND COMMITTEE

We're invited guests today at Keat's Industrial Park in Keene. Theresia called ahead to ask if we could have some discarded tires for a play structure in Troy. The size of some of the tires astounded me, and their weight and bulk made me wonder how any human managed such things. Within half an hour, we selected groupings of tires that would make up the various features - a wiggle bridge, tire house, zig zag walk and two or three other structures created during the upcoming four days of construction. We grouped them on the other side of the drive, marked them with a spot of yellow paint and helped our soiled and grumpy kids into the car.

All other aspects of the erecting of a play structure have such humble beginnings. Quite a few other parents had such tasks to perform during the year or so before the construction date. The most critical element was enlisting the support of the businesses and local industries in obtaining money or materials. Timing, persistence, and connections within the fabric of a small town eventually paid off. Money was raised during school fairs, games and raffles, and in coin collection containers in local stores. Merchants and supportive citizens also came through in encouraging ways.

The entire project was overseen by Deborah Sawyer, a former teacher at the Troy School, and her husband Steven. They both showed remarkable determination and a vision that carried the project through many frustrating moments. David Dahl, a teacher at the school, offered supervisory and carpentry skills throughout the construction process. School staff members, town selectmen, police and ambulance crews, daycare providers and a great reservoir of talented hardworking community members made the whole effort a success. Much credit needs to go to Jim Fallon, who designed the structure and did much initial research.

The site for the structure is at the edge of a paved lot behind the Troy School called "the wasteland." No one could have foreseen how the wooden structure would integrate a big misshapen pine tree with the rambling brick and cinder block school (with its afterthought trailer classrooms) the playing field below the blacktop, and the omnipresent Mount Monadnock in the distance. A backhoe broke up some of the asphalt, and truckloads of sand and gravel were brought in as a substrate. Footings were poured into the altered landscape. A borrowed Wetterau Foods trailer was delivered. Inside it were the tires we selected at Keat's. Shortly thereafter, redwood and pressure treated lumber was delivered.

Prior to construction, many hours were spent calling parents to enlist support. Meetings were held to coordinate the lending of tools, the sorting and labelling of hardware, the planning of meals, the care of children and, finally, project development. At Mother Nature's mercy, we planned on starting Thursday.

A determined group showed up that evening in work clothes. We sorted piles of wood in the drizzle. Once David arrived, crews immediately started sawing, routing and drilling. The tires received a necessary rinse. Friday night the support beams and perimeter ties went up. A few of us arranged and rearranged the tires into inspired new shapes. A group of about 50

people showed up on a cold and cloudy Saturday morning. People were everywhere involved in integrated and cooperative activities. The structure rapidly began to take form. Meal breaks came and went. By evening the platforms and flooring were all in place. We had tire structures installed inside each corner of the perimeter ties. Sunday threatened rain, yet a good-sized group started right in. We all worked quickly with the power tools before the mist became a steady rain. The tire committee worked to attach a wiggle bridge and two tire swings onto the structure. Late in the afternoon it was too wet to continue. Tools were put away and people started to leave.

Before we left, we watched the bravest children, those who had watched our progress over the last few days, try out the equipment. What a joy to see them play! Over the summer, the final stages of construction were completed.

Troy is fortunate to have talented people able to tackle a project of such magnitude without blueprints, and without the services of an architect. The structure is uniquely integrated with its surroundings. It seems as if it was always meant to be there. The big old pine lends shade and balance. Mount Monadnock lends a sense of scale and permanence to the whole scene.

Respectfully submitted,
Evan John 12/90

MINUTES - TOWN MEETING MARCH 14, 1990 - TROY, NH

The polls were opened at 10:00 AM on Tuesday March 13, 1990 by Moderator Thomas Britton at the Troy Town Hall. The Polls remained open until 7:00 PM.

The meeting to take up the Warrant was opened by Moderator Thomas Britton at the Troy School Auditorium at 7:30 PM on March 15, 1990. The salute to the flag was led by the Troy Boy Scout Troop 309. Invocation was given by Rev. Jack McCann, pastor of Troy Congregational Church.

ARTICLE 1: To bring in your vote for one Selectmen for three years and all other Town Officers elected by ballot as passed by Town Meeting or State Statutes for the specified number of years:

Selectmen for three years	William R. Matson
Overseer of Poor for one year	Elmer E. Gladding
Water Commissioner for five years	Mark A. Luopa
Cemetery Committee for three years	Chester E. Priest
Trustee of Public Library for three years	Eileen Breckell
Trustee of Trust Funds for three years	Edward R. Lang
Trustee of Trust Funds for two years	Chester E. Priest
Moderator for two years	Thomas E. Britton
Supervisor of Check List for six years	Mary E. Raitto
Budget Committee for three years	L. Bruce McCulley
Fire Chief for three years	Clifton E. Cole

ARTICLE 2: Are you in favor of amending the Troy Zoning Ordinance to change from Village District to Business District a parcel of land being that owned by Allen Cumings located at the junction of Route 12 and South Main Street, Tax Map 18 Lot 251. By petition pursuant to RSA 675:4. Passed by ballot vote Yes 268 No 77

ARTICLE 3: To see if the Town will vote to raise and appropriate such sums of money as may be necessary to defray the following Town Expenditures.

a. Town Officers Salaries	\$36,800.00
b. Town Officers Expenses	17,000.00
c. Elections and Registrations	2,500.00
d. Town Hall	14,500.00
e. Insurance	86,250.00
f. Social Security	18,500.00
g. Interest - Temporary Loans	11,000.00
h. Memorial Day	1,250.00
i. Landfill	53,000.00
j. Street Lighting	15,000.00
k. Legal	15,000.00
l. Planning Board	5,050.00
m. Board of Adjustment	875.00
n. Emergency Management	6,000.00

o. Conservation Committee	750.00
p. Common	2,000.00

George Dubina asked for justification of increases in Town Officers Salaries, Town Officers Expenses, Elections & Registrations, Insurance and Social Security. Selectmen Matson stated that the salary increases were to bring the Clerk and Deputy up to equal other departments ie. Water Dept etc., expenses are due to the computer which eats up paper like it is going out of style and a copier that people use like a printing press. We have a new program on the computer for receipts and payments and maintenance contracts for these machines must be kept up. Elections and registrations, you must remember that we have another primary and regular election coming up in the fall. Last year there was only one election. Insurance, we have a person coming next month to look over all our insurances. At present we are with the N.H. Municipal Unemployment and Workmans Comp Trust, and N.H. Health Trust as recommendations from our insurance carrier some four years ago. Health insurance was increased this year 8% for us and the private sector was 35% increase. Social Security was increased from 7.51 to 7.65 for 1990. The employee pays 1/2 and the town pay the remaining 1/2.

Paul Theroux asked about temporary loans and why if people paid their taxes early could they receive a rebate on the taxes. Selectmen Matson stated we have been able to hold down temporary loans to \$150,000. a year. This year we had the PSNH loan which increased our interest of temporary loan, but that was a one time thing. Paul also asked about the increase in the landfill. Matson stated that that was due to increased employees to run and maintain the landfill to meet recycling requirements. Also the equipment was in need of repairs due to equipment that was not maintained in the past. All this to bring equipment up to good condition costs money. Mr. Theroux also asked if we could go one tier higher at the landfill and Mr. Matson stated we could & still be within the guidelines of the State Engineer.

Wayne Kennison wanted to know if the Town had considered hauling the trash to an incinerator. Selectmen Walsh stated that right at the present time it would not seem to be feasible idea, but the Selectmen and Landfill Committee would look into this. We belong to the Regional 53B and 149M and will wait to see how they go and what they propose the towns do.

Janet McCullough made the comment that the \$23,000. increase was way out of line as there was no equipment to purchase, except by an article later on to purchase a bailer, all the cement work has been done at the landfill, all the trailers have been purchased. Selectmen Walsh stated that once the Recycling article was voted on it would mean that require alot more manpower, handling, sorting, and packing of materials and monies would have to pay for these people. Passed as written

ARTICLE 4: To see if the Town will vote to raise and appropriate such sum of money as may be necessary to support public services as recommended by the Budget Committee and Selectmen.

a. Health Related Programs	\$25,240.00
b. War Memorial Programs - Recreation	16,000.00

c. Meadowood County Area Fire Department	1,000.00
d. Southwestern NH Regional Planning Commission	2,104.00
e. Arts Festival & Grand Monadnock Arts Council	1,500.00
f. Gay Kimball Library	23,490.00
g. Forest Fire Suppression	2,000.00
h. Senior Citizens	2,250.00

George Dubina asked why the increases in Health Related Programs and War Memorial Programs. Selectmen Matson stated that most of the monies go to the Home Healthcare and Community Services, which replaces the Troy Visiting Nurse and the state funds are cut back further each year. This also includes the Friendly Meals and Meals on Wheels. Passed as written.

ARTICLE 5: To see if the Town will vote to raise and appropriate such sums as necessary to support Town Departments.

a. Highway Department - Summer & Winter	\$80,000.00
b. Police Department (Budget Committee 73,860.00)	70,950.00
c. Fire Department	26,875.00
d. Welfare	16,000.00
e. Animal Control	1,800.00
f. Special Police	5,000.00
g. Industrial Development	1,500.00

Janet McCullough moved that we do not vote on this article until after Article 23, seconded by Bruce Lang. Amend Article so that it would be considered following Article 23. Passed as Amended.

Bruce McCulley moved that we take up Article 23 at the present time. No discussion.

ARTICLE 23: To see if the Town will vote to made the position of Police Chief a full time position.

Moderator Britton stated that he had been handed a petition with 4 or more signatures stating that "We the following are requesting a yes - no secret ballot." prior to the meeting and following discussion we will proceed through the checklist to vote.

Bruce Lang wanted to know why this Article was in the Town Report. To his knowledge we have had a full time Police Department for the past 3 or 4 years.

Larry Lawrence, chairman of the Budget Committee, stated that indeed we have had a part time police force with full time coverage. However the Chief is putting in more hours than the state allows for part time, and it is about time the town considered a full time Chief.

Frank Obuchowski, a business man in town, stated that he felt we should have a full time Chief and a full time force. He asked how the Selectmen felt about this.

Selectmen Walsh stated that Chief Norton appeared before the Selectmen with three proposals. The first as you see in the town report of \$70,950.00, a second with a full time chief and part time officers and the third with a

full time chief and one full time officer. We looked at all three seriously and decided on the one before you. He felt personally that the town was ready for a full time Chief as he would have to hold a full time job besides his duties as Police Chief in order to support his family.

Selectmen Matson stated that if this was voted in that they could run on the \$70,950.00 budget. There is a lot more going on around you than people realize. Child abuse, families squabbling, families beating each other, stabbings etc. Recently there was a death in Va. which a lot of the investigating was done right here in Troy. It is hard for a person to split himself between two places and do justice to either job. The only complaint the Selectmen have had about the Police Department is that they park down by the State Barn, and the speed coming off West Hill. The Selectmen feel that both complaints have been taken care of and that the Department are watching West Hill more. Mr. Matson thinks we have a very excellent Police Force and feels that a full time Chief could be done under the \$70,950. figure in a fair manner.

Janet McCullough wanted to know if the chiefs salary could be taken from the 70 thousand or would we have to have more. Chief Norton stated that it could be handled from this figure. It would be close, but could be done.

Gerry Callahan, former Selectmen stated that when the original proposal was passed several years ago, it was done as a tool. At that time we had Selectmen who could not control the chief, and in this State a full time Chief comes under a different set of laws. In short of murder or the like, you can not get rid of them. He asked Mr. Matson how much was spent in litigation during the time when we were having problems with the full time dept. and what are we going to gain for this money spent. We have had full time police since they played games. What are we going to gain with the full time chief?

Mr. Matson stated that we need to look at families, kids and services need in town. We have a lot of new people and elderly people. We have not had the complaints and we can easily have chief with the amount listed.

Mark Dill made a motion to move the article. Secret Ballot Yes 88 No 49

ARTICLE 5: We are looking at the recommendation of the Selectmen.

Gideon Nadeau asked when the full time chief will be implmented, what type of selection will be used and were will the money come from if Chief Norton is appointed for the training.

Selectmen Matson stated that the Selectmen have not had any serious complaints about Chief Norton and he will be trained at the Police Standards and Training Academy. We will give him the opportunity within the budget so printed to go to that school. Upon graduation if he passes, Mr. Norton will be appointed. If he does not pass, then the Selectmen will have to advertise and find someone else to fill the position.

Janet McCullough showed concern for the amount of \$16,000. Welfare. In past years we have not spend the amount appropriated. One year I tried to put any leftover into a Capital Reserve fund, but that did not pass. I

would like to amend the article to \$10,000. for Welfare.

Welfare officer Gladding said that she was correct in that we have not spent all the monies appropriated. However sooner or later we will be in a serious bind. We had a case in court which would have amounted to \$100,000. if we had lost. So far this year I am in serious straights, it is going to be a difficult year for Welfare. Also the state is pushing more and more back onto the town that we are going to get hit with. so these court placements will hurt and we need money to handle them. We could still go well over the \$16,000. I have asked for. Amendment defeated.

Gideon Nadeau asked if someone from the Industrial Development Committee would explain what they intend to do with another \$1500. this year. understand what the committee is trying to so, however with the land we have available, I think we are wasting money.

Robert Hall Chairman of the committee, we have 51 acres which need surveys this will need two surveys. Several years ago we had one done and the cost was \$1500. We are in the process of making a marketing brochure to be available to potential buyers, legal fees, There is a 48 acre parcel in litigation. The town says they own it and another party say they own it. We need to subdivide some land, no body on our committee has the expertise for this and we will need professional help. Dort St. land needs water & sewer extended. The money may not come out of our budget, but there will be an expense there. At the present we are saying we have an Industrial Park. It is not a park, it is just raw land and we need to spend money there for improvements before we can get potential clients to purchase land. The access to Dort has been turned down by potential clients as they are unable to get any large trucks in there. We may need to improve the access to Dort St.

Bruce McCulley asked to amend to use the Budget Committee Recommendation. The only change in these items is the Police Department and with the training expenditures he felt this \$73,860. was a better figure.

Selectment Elmer Gladding stated that he would not recommend the Budget Committee figure. Originally there were two proposals presented by the PD. To his knowledge, no department was allowed to come in with more than one proposal. The second proposal for the 73,+ was to include administrative change which he did not feel the Budget Committee was operating within the law to make an administrative change. Amended defeated. Article passed as written.

ARTICLE 6: To see if the town will vote to raise and appropriate such sums of money as may be necessary for the care of the Cemeteries. Budget Committee and Selectmen recommend \$14,000.00 \$13,000.00 to come from Trust funds. Passed as written

ARTICLE 7: To see if the Town will vote to raise \$188,100.00 for the Water/Sewer Department. Recommended by Budget Committee and the Selectmen Passed as written.

ARTICLE 8: To see if the Town will authorize the Selectmen to expend

the Highway Block Grant of \$28,000.00 and the Town will receive for the State for the calendar year 1990 for maintenance, construction, and reconstruction of Class IV and V highways. Recommended by Budget Committee and Selectmen. Passed as written.

ARTICLE 9: To see if the Town will vote a sum of money \$158,627.53 for the payment of Sewer Bonds. Income from the State of New Hampshire and FHA will be \$108,955.03. Passed as written.

ARTICLE 10: To see if the Town will vote and appropriate the amount of \$12,700.00 to be placed in the Capital Reserve Fund for reappraisal. Any amount remaining after final payment for reappraisal to remain in the Capital Reserve Fund for a future reappraisal when needed, and voted by the Town. Recommended by Budget Committee and Selectmen. Passed as written.

ARTICLE 11: To see if the Town will vote to raise and appropriate the sum of \$20,000.00 for the annual payment for the sum authorized to borrow at the Special Town Meeting to pay Public Service Company of New Hampshire. Recommended by the Selectmen and Budget Committee. Passed as written.

ARTICLE 12: To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to be used for the celebration of the 175th anniversary of the Town of Troy. Recommended by the Selectmen and the Budget Committee.

Wayne Kennison asked how they intended to spend this money.

Selectmen Gladding we do have plans which will involve the churches and businesses, we would like to improve the Common and bring it back to its original look as it was a few years back. We hope to have parades, contests for the kids which will be prizes. If this goes through, we will start working on definite plans. Article passed as written.

ARTICLE 13: To see if the Town will vote to raise and appropriate the gross sum of \$4,000.00 to the conservation fund as authorized by RSA 36-A:5 to be used only for acquisition in the name of the town of the fee or lesser interest in conservation land and other costs associated therewith for permanent conservation use, and authorize the Selectmen to apply for and accept the state matching funds under the N.H. Land Conservation Investment Program (LCIP) RSA221-A in the amount up to \$4,000.00 for the purpose of acquisition of the fee or lesser interest in conservation land. Said appropriation funds and state matching funds may be expended by majority vote of the conservation commission. The appropriation is contingent upon the receipt of matching state grant from LCIP. Recommended by the Budget Committee and Selectmen. Article passed as written

ARTICLE 14: To see if the Town will vote to raise and appropriate \$15,000.00 for capital improvements, equipment and materials necessary to finish setting up the Landfill to be in a position to be able to recycle. In

addition, to authorize the Selectmen to use the appropriation or a portion of for matching funds, if they become available from the Office of State Planning for the implementations of a Municipal Recycling Program. Recommended by the Selectmen and the Budget Committee. Passed as written.

ARTICLE 15: To see if the Town will vote to authorize the Treasurer, Town of Troy to receive and deposit all funds in a separate saving account, that are generated by the sale of recycle materials and equipment from the Landfill. This fund if, so voted to be placed by warrant article in a Capital Reserve Fund in the following Town Meeting, for the specific purpose of acquiring new equipment, if needed, emergency repairs if needed above appropriated budget, and for the use of closing the Landfill when the time comes. Recommended by Selectmen. Passed as written.

ARTICLE 16: To see if the Town will vote to adopt mandatory recycling at the Landfill not before July 1, 1990. If approved the necessary information to describe what will be recycled, how it will be accomplished will be completely gone over by the Landfill Study Committee with the residents of Troy before it is implemented. Recommended by the Selectmen and the Troy Landfill Study Committee. Passed as written.

ARTICLE 17: To see if the Town will vote to raise and appropriate the amount of money listed below to be placed into the Capital Reserve Fund of each Department for the purpose of purchasing vehicles or additional equipment when voted by the Town

- | | |
|-----------------------|------------|
| a. Police Department | \$4,000.00 |
| b. Fire Department | 1,000.00 |
| c. Highway Department | 4,000.00 |

Recommended by Budget Committee and Selectmen. Passed as written.

ARTICLE 18: "Shall we adopt optional adjusted elderly exemption from Property tax? The optional exemption, based on assessed value, for qualified taxpayers shall be as follows: for a person 65 years of age up to 75 years, (20,000.00), for a person 75 years of age up to 80 years, (\$40,000.00), for a person 80 years of age or older, (\$100,000.). To qualify, the person must have been a New Hampshire resident for at least 5 years; own the real estate individually or jointly, or if the real estate is owned by his spouse, they must have been married for at least 3 years. In addition the taxpayer must have a net income of less than \$10,000. or if married, a combined income of less than \$12,000; and own net assets of (\$37,000.) excluding the value of the person's residence." Recommended by Selectmen.

Richard Martin asked that we amend the article to read "own net assets of \$37,000. or less" Amendment passes.

Paul Theroux asked how we would know if persons were telling the truth as to what their income was or what they own and don't own.

Mr. Matson stated that the person who applies for the exemption is signing their name and filling out the information under purgery.

Article passed by secret ballot Yes 84 No 8

ARTICLE 19: "Shall we adopt the provisions of RSA 72:28, V & VI for an optional veterans' exemption and an expanded qualifying war service for veterans seeking the exemption? The optional veterans' exemption is \$100. rather than \$50." Recommended by Selectmen. Secret ballot passed
Yes 77 No 1

ARTICLE 20: "Shall we adopt the provisions of RSA 72:35, IV for an optional property tax exemption on residential property for a service connected total disability? The optional disability exemption is \$1,400. rather than \$700. Recommended by Selectmen. Secret ballot passed Yes 76
No 2

ARTICLE 21: To see if the Town will vote to classify Richmond Road as a "Scenic Road" as provided under RSA 231. Recommended by the Conservation Commission and the Selectmen. Passed as written.

ARTICLE 22: To see if the Town will vote to designate and proclaim April 22, 1990 as Earth Day 1990, and to set aside that day for public activities promoting preservation of the global environment and launching the "Decade of the Environment." Recommended by the Conservation Commission. (By Petition). Passed as written.

ARTICLE 24: To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend money from the State, Federal or another governmental unit or a private source which becomes available during the year in accordance with the procedures set forth in RSA 31-95B. Passed as written.

ARTICLE 25: To see if the Town will vote to authorize the Selectmen to borrow money to pay charges and the interest thereon. Passed as written.

ARTICLE 26: To see if the Town will vote to authorize the Selectmen to transfer tax liens and convey property acquired by the Town by Tax Collector's Deed by public auction (or advertised sealed bid) or in such manner as determined by the Selectmen as Justice may require. Passed as written

ARTICLE 27: To see if the Town will vote to authorize the Selectmen to enter into agreement with the Southwest Regional Planning Commission, the State Office of Emergency Management, the State Planning Commission, and other State agencies, when money becomes available for feasibility studies, grants, and agreements in the best interest of the Town. This is to be done by the Selectmen, with the approval of the Town Budget Committee after consultation with the Conservation Commission, Planning Board and Industrial Development Committee. Recommended by Budget Committee and Selectmen. Passed as written.

ARTICLE 28: To hear reports of committees, agents or officers heretofore

chosen and take any action relative. No reports forth coming.

Meeting adjourned 10:35 PM

Raelene Cummings
Town Clerk

TOWN OF TROY
1990 REAL ESTATE ASSESSMENTS

This booklet contains the names of the owners of real estate in the Town of Troy in 1990.

The assessed valuation for this year were based by the Selectmen on appraisals made by appraisers employed by the Department of Revenue Administration. The 1990 assessment figure represents the appraised full value (sound value) of the property, the purpose being to equalize all individual assessments on this basis. Property record cards containing a discription of each piece of property including the basis of the appraisal are on file at the office of the Selectmen. These cards may be examined by any interested party.

If any property owner believes their assessment is unfair and wishes to appeal for abatement, they MUST FIRST APPEAL TO THE LOCAL ASSESSING OFFICIALS in writing, within 60 (sixty) days of the notice of the tax bill. (RSA 76:16) Forms for this purpose may be obtained from the Local Assessing Officials. If dissatisfied with the decision of the local assessing authorities, or the taxpayer does not receive a decision, the taxpayer may exercise ONE of the following options:

OPTION NUMBER 1

The taxpayer may APPEAL TO THE BOARD OF TAX AND LAND APPEALS, 107 PLEASANT STREET, CONCORD, NEW HAMPSHIRE, 03301 in writing WITHIN SIX months of the notice of the tax bill, with a payment of an application fee as set by the Board. (RSA 76:16-a)

OPTION NUMBER 2

The taxpayer may APPEAL BY PETITION TO THE SUPERIOR COURT IN THE COUNTY IN WHICH THE PROPERTY IS LOCATED in writing, WITHIN SIX months of the notice fo the tax bill. (RSA 76:17)

NOTE: An appeal to the State Board of Tax and Land Appeals shall be deemed a waiver of any right to petition the Superior Court. (RSA 71:B:11)

INTEREST AT 12% PER ANNUM WILL BE CHARGED ON ALL PROPERTY TAX NOT PAID BY THE DUE DATE AS SPECIFIED ON THE TAX BILL AND THE FILING OF A REQUEST FOR REVIEW OF THE ASSESSMENT WILL NOT WAIVER THIS PENALTY. (RSA 76:13)

For purpose of economy and efficiency the Board of Tax and Land Appeals will allow appeals made to it to accumulate until the six month period for filing has expired so that all properties may be examined at the same time. Examination will be made as soon thereafter as other commitments will permit.

William R. Matson,Chairman
Thomas A. Walsh

TROY EMERGENCY AMBULANCE SERVICE INC. ANNUAL REPORT

(Please call 352-1100 if you need us)

As President of our ambulance service, I wish to take this opportunity to thank all of our faithful volunteers who have given so freely of their time to help make this a better community to live in. It is because of this volunteer effort that we continue to provide the community with free ambulance service.

It has been a very busy year with many benefits received from our labors. Because of the splendid cooperation between the members and the community, we are now in our new ambulance building! Hooray. . . It is with gratitude that we acknowledge your generous support.

As a community, we have a lot to be proud of, especially in this economical hard time. A new building has been completed without any tax dollars, a life-saving defibrillation unit has been purchased without tax dollars, volunteer members de-fib State certified without tax dollars, medical supplies purchased without tax dollars, members continue to take classes and receive certification and recertification without tax dollars and most import, a 20-member medical volunteer ambulance service has been maintained without tax dollars! Yes, it can be done. . . This has all happened because as a community we have all pulled together and recognized the needs of each other and responded to them. All of this was accomplished by all of us as we pulled together to help one another.

Our third (3rd) Annual Christmas Auction was held with proceeds over \$2,000! Thank you to all who gave and to all of you who attended. Our first (st) Annual Children's Christmas Shop was held this year providing gifts for children to purchase for \$2.00 or less. Most of the gifts were less than \$2.00. It was a tremendous success with shop selling out within 3 hours! It not only proved to be a fantastic fund raising event but truly a "give back" to the community. We have plans set for another shop next year and hope that anyone that wants to participate or has any interest will contact Carrie Mattson. It was enjoyed by all. . .

Again, thank you for your generous support this year folks; it is appreciated. We wish you many years of happiness and health!

With respect,

Ray Woods
President/T.E.A.S.I.
